### Terms & Conditions:

Timings are applicable under normal operational conditions and standard business hours.  
Same-day pharmacy delivery is subject to the stock availability at local stores.  
Diagnostic bookings and home sample collections are facilitated through our partner, Labs.  
Emergency routing does not replace standard emergency medical services (like 108/112).  
For complete policies, please refer to the AYUXA mobile app or [www.ayuxacare.com/master-policy](http://www.ayuxacare.com/master-policy)

We recommend completing your profile in the Ayuxa App by adding emergency contact details and any existing medical history for your elders/yourself. This helps us provide personalized care the moment you need it.

**Thank you for trusting Ayuxa. We look forward to serving you.**
